# Sustainability Initiatives

---

Heating & Cooling Systems

Pump House

EV Charging Stations

Windows & Glazing

Fine Arts & Theatre Building

# Key Considerations

*Questions from the Community*

Why is this expansion necessary?

---

When can we start building?

---

- ✓ Approval from Agricultural Land Commission (ALC)
- ✓ Issue of building permits from City of Maple Ridge
- ✓ Enrollment projections
- ✓ Fundraising targets

Why are we building the Burke Hall first instead of the other buildings?

---

What additional facilities are being considered?

---

# Thank you for joining us!
