

# Sell your USED books

Earn money on your used books at the end of the school year. The books are collected and sold on consignment to other students over the summer.

Here's how...

Student's fill in a "Consignment form"

- Fill in contact information
  - List books with their ISBN numbers
  - Pull off the adjacent bar code sticker
  - Place sticker on the back cover of each book
  - Retain the pink Customer Copy of the form
- \*\* CD's—don't forget to hand in your CDs with books

Our state of the art facility uses barcodes and handhelds to track your books from receiving, to storage, to refurbishing, to re-sale.

The Canadian School Book Exchange...

- ✓ Cleans & refurbishes the used books
- ✓ Lists books on the On-Line Bookstore
- ✓ Sends you a cheque after they are sold

On-curriculum used books can sell for 20-50% of the NEW BOOK PRICE (dependent on the condition)
